### PURPOSE

This is to inform counties of the allocation revision for Fiscal Year (FY) 2001-02. A statewide allocation summary and an individual county notice are included with this bulletin.

### DISCUSSION

An increase of \$8.4 million in the Substance Abuse Prevention and Treatment (SAPT) Block Grant Award, was approved for the Substance Abuse Treatment and Testing Accountability Program, under Senate Bill 223 (SB 223) (Burton), Chapter 721, Statutes of 2001, to support the implementation of the Substance Abuse and Crime Prevention Act (SACPA) of 2000. To receive these funds, counties must have a revised county plan, specified in the All County Lead Agency Letter, No. [01-19](#). These funds must be used for drug testing or other purposes consistent with federal law (e.g., planning, carrying out, and evaluating activities to prevent or treat substance abuse).

As mandated by SB 223, counties have until June 30, 2002, to expend these SAPT funds. Funds that have not been spent by June 30, 2002 must be repaid to the state through the normal cost report process.
